 - i) The society is in existence and holds good reputation and there is no complaint against it.
 - ii) The society has financial capacity for execution of the work.
 - iii) The society should produce list of works executed by them in BBMB, State / Central PWD, Railway, MES and other such Public Sector Enterprises / Autonomous bodies and a Public Sector Enterprises / Autonomous bodies and a certificate from the concerned office regarding the satisfactory performance from Engineer-in-Charge concerned and fulfil the pre-condition of issue of Tender documents.
3. The tender documents can be had/downloaded up to 17:00 hrs on 25/09/2018 date from the office of / website at the cost of Rs. 1000/- (Non refundable) + GST@18% (in the shape of demand draft against written request along with the following documents.
 - i) Latest Income Tax return/PAN copy
 - ii) Partnership deed or Registration certification of the firm or company as the case may be.
 - iii) Copy of valid enlistment of contractor in the respective class/amount from State/Central PWDS Railway MES and other such Public Sector Enterprises, Autonomous bodies etc. for civil works.
 - iv) Power of Attorney as required under rule for joint venture.
 - v) List of works executed with cost.
 - vi) The Contractor/L&C society should not have been black listed by any State Govt. Department / Central Government Department, MES, Railways, PSEs etc.
 - vii) GST registration, if applicable.
 - viii) Allotted EPF Code Number from Employees Provident Fund Commissioner, and latest copy of challan of Deposit of EPF of the employees, if applicable.
4. The earnest money amounting to Rs.5800 /- only in the shape of Bank guarantee / Bank draft drawn on any scheduled Bank payable at Delhi in favour of Sr. Accounts Officer, BBMB Delhi must be attached /Deposited with tender. The tender without earnest money will not be considered. The earnest in any other form will not be accepted.
5. The earnest money shall be returned to the unsuccessful bidder after approval of the tender.
6. Co-operative Societies shall be considered at par with other contractors for the purpose of depositing earnest money etc.
7. Conditional tenders or tenders received late or tenders submitted by email/through fax or incomplete tenders will be rejected outrightly without assigning any reason.
8. Detailed NIT / Design/ Quantities/ Specifications/ any other information such as regarding GST can be seen in the office of Senior Executive Engineer/ O&M Division BBMB Delhi on any working day during working hours.

9. Acceptance of tender is subject to the approval of the competent authority and BBMB also reserves the right to reject any of all of the Tenders received without the assignment of any reason.
10. The tender/quotation/rates quoted for the work shall remain valid for a period of **120** days from the date of opening of the tenders.
11. The earnest money furnished by the successful bidder, on whom the order is placed, shall be converted into security deposit as a guarantee for faithful and satisfactory execution of the contract security deposits not claimed within three year from the date of the completion of contract shall be treated as “Lapsed Deposit” and no claim for a refund thereof shall be entertained from the contractor except under very special circumstances and for good and valid reasons.
12. The earnest money/Security deposit taken from the firms/tenderer shall be forfeited under the following circumstance.
 - a. If the tenderer withdraws his tender at any stage during the currency of his validity period, his earnest money shall stand forfeited in full.
 - b. If the acceptance of tender has been issued but the contractor refuses to comply with it , the earnest money deposited by him shall be forfeited in full, irrespective of the fact whether the BBMB sustains any loss on account of his default or not . This forfeiture shall be without prejudice to the right of the BBMB to claim any other damage as admissible under the law as well as to take such executive action against the contractor as blacklisting etc.
 - c. Where the tender has been accepted but the contractor stops the work after partially fulfilling the work order, the security deposit shall be retained and adjusted against any loss that may be caused to BBMB through work being got completed from alternative source at the contractors risk & cost and or any other damage recoverable from the contractor under the terms of work order.
 - d. In the event of a breach of work order in any manner, the security deposit shall be forfeited and adjusted against the claim of the BBMB on the contractor for any damage or for any loss sustained by the BBMB on account of such breach.
 - e. in the event of non-compliance of removal of defects within defect liability period.
13. The work shall be completed **120**days. However under any unavoidable circumstances necessary permission to extend the period shall have to be specifically obtained by the executing agency from the competent authority i.e. tender approving authority of BBMB.
14. ~~The rates given in the Schedule of rates are for finished work inclusive of lead, lift and Octroi charges, Sales tax and other local taxes, entry tax etc. service Tax, if applicable shall be reimbursed to contractor on production of actual payment receipt.~~
15. No claim on account of fluctuation in prices due to war or any other cause or act of god or disturbances/Bunds/Strikes will be considered. Similarly type department will not be responsible for any loss/ damages to the material or structure due to the above reasons. No compensation will be paid for the same.
16. Item rate needs to be quoted instead of percentage (%) above or below the Zonal premium. For Non Schedule items-items rate should be quoted by the contractor contained in the list attached with tender form. Rates should be quoted strictly in metric units. Any other unforeseen/Non-Schedule item should not be executed at site until the analysis of rates for such item is approved by the competent authority. ~~Any other item not appearing in the detailed NIT but covered under the DSR 2014 will be paid as per rates given in DSR 2014 + Sanctioned Zonal Premium as applicable on the date of opening of tender + Tendered premium/ abatement quoted by the agency.~~
17. ~~The percentage tendered premium/ abatement shall be added to / sub tracted from zonal ceiling premium only, irrespective of the manner the contractor quote his rates, whether with or without the word “Z.P.” The percentage so arrived at shall be applicable to the basic rates printed in the Punjab CSR.~~

18. Before tendering the contractor is advised in his own interest to visit the site and acquaint himself with the site condition. Later on, no claim will be entertained on any account whatsoever.
19. The competent authority reserves the right to split/allot part work to any willing contractor/Society at the general approved rates taking into account the capacity/Capability of the contractor/Society. Even after allotment of work, if it is found that capacity of the contractor is not adequate and the agency fails to gear up the progress after repeated instructions of the department, the competent authority reserves the right to cancel the work as a whole or to take away any item of work or any part thereof at any stage during the execution of work, currency of the work order and re-allot it to another agency with due notice to the contractor without liability of any compensation.
20. The quantities as given in the estimate/tender form are approximate and only for the guidance of contractors and not for any claim etc. The quantity of work can be increased/decreased or any item of work can be withdrawn/ added to and no claim on this account shall be entertained.
21. The Engineer-in-Charge has the right to change the design and specification during the execution of the work and rate will be that work under execution.
22. 100% payment shall be made within 30 days after completion/acceptance of the work and actual measurement. However, running payments maximum once in a month, if desired by the contractor on submission of bill can be allowed. All running payments shall be treated as advance payments and any excess payment made to the contractor inadvertently or otherwise for this work or any other work shall be deducted from any payment what-so-ever payable by the department to the contractor.
23. 10% security shall be deducted from the running bills for work done by the contractor/ Societies, the same shall be refunded after ~~six months~~/Three month of the payment of final bill or on completion of defect liability period whichever is later.
24. The income tax, ~~sale tax~~, or any other tax i.e. ~~work Contract Tax and Labour Welfare Cess~~, as liveable will be deducted from the bill as per rules, ~~Good Service Tax, if applicable shall be reimbursed to contractor on production of documentary evidence, before finalization of bill.~~
25. The work should not be assigned to other party or Sublette without the written approval of the Department. In case, it is done the work order will be terminated on its merits and the contractor will not have any claim of any sort regarding arrangement of man power/material machinery etc.
26. Non can bid on behalf of the other person unless he holds the power of attorney or has letter of authority to that effect. In case the tenderer is other than individual i.e. firm, company etc. the tenders will be supported with the document having authority for the purpose.
27. Any person or agency found engaged in cartelization will be debarred from participating in the process of tendering.
28. The contractor shall be responsible to provide at his own cost the following amenities for the labour employed by him :-
 - i. Suitable temporary huts accommodation as in the opinion of the officer in charge of the work may be necessary.
 - ii. Trench latrines, bathing enclosures and platforms separately for men and women and their regular cleanliness to the satisfaction of the officer in charge.
 - iii. Clean drinking water
 - iv. Safety equipment and first aid
 - v. The contractor will be held responsible, if any accidents of his labour occurs at site of work.

Note: - No labour will be allowed to reside at the site of the work without the approval of Engineer-in-Charge.

29. Fair wages clause as well as Punjab Public works labour regulations shall be binding on the contractor and he will strictly follow the terms and conditions laid therein.
30. It will be the responsibility of contractor to ensure that BBMB property including trees, structures etc. at site or in the labour camp and in the vicinity thereof are not damaged by negligence of his labour or agent. Cost of such damages, if any will be assessed by the Engineer-in-charge and deducted from the bill of the contractor.
31. Contractor shall make his own arrangement for the watch and ward of his plant and machinery etc. of site of work.
32. All residuary matters, not specifically covered by the provisions of work order, shall be regulated in accordance with the rules of Punjab PWD Code/BBMB Purchase Procedure.
33. Cement required for construction will be supplied to the contractor at the DSR rates applicable on the date of opening of tender + C.P. and in case department does not supply the cement, the contractor will arrange cement at his own level. No charge for carriage of the said material will be paid. The contractor will take the material against the signature on indents/Register. After the delivery of the material from stores, the contractor will be responsible for the security & safe custody of material and for keeping it in good condition at his own cost till it is consumed on the work or returned to store.
Cement Rs. As per stock issue rate+SSC per bag of 50 Kg (including cost of E. C. bag).
- Note:-
- i) In addition to the above mentioned issue rates of materials, storage charges @ 3% or any other charges as per Punjab CSR/Sanctioned zonal premium shall be charged etc.
- ii) The recovery will be as per sanctioned zonal premium operative currently and the same shall be revised according to the sanctioned zonal premium of the concerned zone. In case it is further revised on or before the date of opening of tender shall be binding upon contractor/societies.
34. In case of labour rate tender, material will be supplied free of cost on the above conditions at work-site.
35. Excess / short consumption of the material will be dealt with as per chapter 27 of the CPWD/ PWD. Specification 2013 read with DSR-2016 both amended up to date. The penal rate quoted in the above chapters will be double the issue rate of the material indicated under clause 33 supra.
36. A list of Govt. issued material (if any) remaining surplus with the contractor shall be supplied by him to the engineer-in-charge of the work within ten days of the completion of the work. The engineer-in-charge shall give a notice in writing and advice to the contractor for the materials accepted for return and shall fix reasonable time limit for its carriage by the contractor to the department stores. If the contractor fails to do so within the specified time it shall be got done by the Engineer-in-charge at the risk and cost of the contractor. In case he fails to furnish the afore mentioned list, it would be presumed that he has not such surplus material left at site.
37. The contractor shall be responsible for the removal of all such debris as has been created by the work allotted to him from the site of work to specified place at contractor cost. No extra payment for removal, loading un-loading and disposal of debris within the above limits will be made. In case the agency fail to remove and dispose off the debris, it will be got removed by the department at the contractor's cost and no claim regarding the department having spent excessive amount on the removal of the debris shall be entertained.
38. Earth required by the contractor shall be brought only from the borrow are as duly approved by engineer-in-charge.
39. Surplus earth as a result of excavation of foundations shall be disposed off as per approval of the Engineer-in-Charge. No earth as excavated shall be sold by the contractor to private parties nor removed otherwise.
40. All cement concrete, whether plain or reinforced shall be poured with Mechanical vibrator after mixing in a mechanical Mixer unless otherwise specified or directed by the Engineer-in-Charge it shall be the sole responsibility of the contractor himself to arrange for the concrete mixed and vibrator at his own cost.

41. The work will be executed as per CPWD/PWD Specification-2013/As per work order /DSR-2016 or any other amendment up to date and as per contract Agreement Specification to the entire satisfaction of Engineer-in-charge of DSR-2016 ~~common Scheduled of Rates (CSR) shall be Punjab common Schedule of rates with up to date amendments including sanctioned Zonal premium (including issue rate of material) declared up to the date of opening of tenders.~~ Even though all the works and materials necessary to satisfactory completion of the works may not detailed in specifications and schedules, their costs will be considered to be within the contract and no claim for extra charges will be accepted, provided that there is no substantial revision in the specifications of the work in which the consequential changes in price shall be on the already approved rates after approval by the competent /sanctioning authority.
42. The quality of material to be used for the works(s) by the contractor shall be got approved from the department prior to starting of the work(s).
43. The quality of work shall be the prime essence of the contract and no compromise what so ever in this regard will be acceptable.
44. The Engineer-in-Charge will bring into the notice of Contractor if any defect is found during execution, Such action of the Engineer-in-charge shall not affect the Contractor's responsibility. The Engineer-in-Charge can instruct the Contractor to uncover & test any work that Engineer-in-Charge considers that it may be defective, Whereas such notice of defect is given, the contractor shall correct the same within stipulated time failing which defect shall be got removed at contractor's risk and cost will be recovered from Contractor's bill security.
45. If the Engineer-in-charge instructs the contractor to carry out a test specified in the specifications to check whether any work has a defect, the contractor shall pay for the test / and any sample cost etc.
46. If the Engineer-in-charge instructs the contractor to carry out a test not specified in the specifications to check whether any work has a defect and the test shows that it has, the contractor shall pay for the test/ and any sample cost etc.
47. The engineer-in-charge shall give notice to the contractor about of any defect before and prior to the end of the defects liability period, which begins at completion and is defined in the contract data. The defects liability period shall be extended further so long as defects remain to be rectified/ set right.
48. Whenever a notified of a defects is given , the contractor shall correct the notified defect within the prescribed time limit specified by the Engineer-in-Charge in notice.
49. Uncorrected Defects : In the event of the contractor failing to remedy the defects remove the inferior quality material that he contracted for within a period specified by the Engineer-in-Charge, as per notice given in this regard, than the contractor shall b liable to pay compensation which shall be determined by the Engineer-in-Charge, depending on the nature or defect, provided that it shall not exceed the amount which will be required to set it right, by the Engineer-in Charge by making own arrangement at departmental level or through an outside agency.
50. In case of any delay or short supply of the material to be supplied by departmentally, no claim for any compensation shall be entertained due to interruption in the work or the labour thus rendered idle. However, contractor shall arrange such quantity/ quality of material/ cement as ordered by the Engineer-in-charge at his own cost at the lowest market rate and no recovery of cost / quantity of such material will be made from contractor bill, The difference of cost of material if any than the stock issue rates as provided in departmental rats shall be paid to the contractor.
51. As per decision of the Hon'ble Supreme Court, no over loading is to be done by the contractor, If it is found that over loading of material is carried by the contractor, then the carriage rates shall be reduced by 50% and the recovery will be made from the bill of the contractor. Full rate shall only be allowed if it is certified by the field staff that the actual carriage of material is within the norms and no over loading has been done.
52. If the work is to be carried out in the restricted area, the work permits for contractor's labour & material will have to be obtained by the contractor from the BBMB.

53. In the event of the failure of the contractor to complete the work within stipulated period. he shall be liable to pay as compensation an amount equal to ½% per week, or part thereof subject to maximum 10% ordered value/contract value for the period of delay in completion.
54. Arrangement of water and Electric Power required by the contractor for the work shall be made by him at his own cost. Water charges shall be deducted from bill of contractor if department water is used by the contractor @ half percent of the gross value of work done. In case electric supply is made by the department on the request of the contractor, the recovery of the electricity charges shall be made as per prevailing commercial rates.
55. In case of any dispute between contractor and department during execution of work the matter shall be referred to concerned competent authority to approve the tendered rates / work order whose decision shall be final and binding on the contractor and the department.
56. In case of any dispute between the parties, local court at Delhi shall have the jurisdiction to settle/decide and adjudicate upon such matter.
57. Any material left at the site of work after a month from the completion of work shall become the property of the BBMB and no part payment shall be made to the contractor for such material.
58. Defects liability period will be weeks/Months/ years calculated from the completion date of the work/project.
59. ~~The price quoted should be exclusive of payment of statutory levies like GST etc. The rates at which the GST shall be carded should be indicated clearly and separately.~~ Further, keeping in view the provisions of Antonio- measure as laid under the provision of section 171 of CGST act, the tender shall be clearly indicate that weather any reduction in rate of tax on any supply of goods or services or the benefit of input tax credit accrued to the seller on accursed to the seller on account of such supply of goods or services shall be passed on to the purchaser and if so exact amount or percentage of quoted price which shall be credited to purchaser be specifically intimated in the offer. Further the certificate as per annexure-A (copy enclosed) be obtained from seller or tendered and it should be the part of NIT and purchase order also.
60. The proof of GSTIN has to submit with the offer.
61. Contractor have to pass on Input Tax Credit (ITC) to BBMB, contractor is requested to give the following undertaking in line with Sefction-171 of Chapter-XXI (Miscellaneous) Anti- profiteering Measure of the CGST Act, 2017.
“We will pass on the benefit accrued (if any) due to reduction in rate of tax on any supply of goods or services of from Input Tax credit to BBMB However, if at a later state, it is found that such accrued benefit has not been passed on the BBMB, We (our firm) shall be liable to compensate with the requisite amount along with interest @ SBI one year MVCLR+2%. Further, BBMB “shall be free to take action as per the negligence and Default clause of the work order”.
62. In case of the death of contractor without prejudice to any of the rights or remedies under this contract this office reserve the right to terminate the contract without any compensation to the contractor .
63. An agreement on non-judicial paper of appropriate value shall be executed between the contractor and BBMB for the total value of the contract within 15 days from the date of issue of work order.
64. The rate quoted by the contractor shall be deemed to be inclusive of all taxes /GST. Nothing extra will be paid on this account. However contractor is requested to fill the quoted rate in attached prescribed format indicate the contents of GST.
65. Payment will be made through digital mode (Cashless i.e. RTGS/ECS/NEFT/NET Banking) .Besides Bank Account No/IFSC Code /Bank name & Branch etc. may be provided with every type of bill .
66. Any other Clause which the Engineer-in-Charge feels necessary to include keeping in view the interest of work can be incorporated as special terms and conditions with due approval of the concerned Chief Engineer.
