  - iv) Power of Attorney as required under rule for joint venture.
  - v) List of works executed with cost.

- vi) The contractor /L&C society should not have been black listed by any State Govt. Department /Central Government Department, MES, Railways, PSEs etc.
  - vii) Service Tax /GST registration, if applicable.
  - viii) Allotted EPF CODE Number from Employee Provident Fund Commissioner, and latest copy of Challan of deposit of EPF of the Employees, if applicable.
- 4 The earnest money amounting to Rs.17900/- only in the shape of Bank guarantee/Bank draft drawn on any scheduled bank payable at **Sundernagar** in favor of **Sr. Accounts Officer, BBMB, Sundernagar** must be attached /deposited with tender. The tender without earnest money will not be considered. The earnest money in any other form will not be accepted.
  5. The earnest money shall be returned to the unsuccessful bidder after approval of the Tender.
  6. Co.-Operative Societies shall be considered at par with other contractors for the purpose of depositing earnest money etc.
  7. Conditional Tenders or tender received late or tenders submitted by e-mail /through fax or incomplete tenders will be rejected out rightly without assigning any reason.
  - 8 Detailed NIT/Design/Quantities/Specification/any other information can be seen in the office of **Senior Executive Engineer, Township Division, BBMB, Sundernagar** on any working day during working hours.
  9. Acceptance of tender is subject to the approval of the competent authority and BBMB also reserve the right to reject any or all of the tenders received without the assignment of any reason.
  - 10 The tender/ quotation/rates quoted for the work shall remain valid for a period of 120 days from the date of opening of the tender.
  11. The earnest money furnished by the successful bidder, on whom the order is placed, shall be converted into security deposit as a guarantee for faithful and satisfactory execution of the contract. Security deposits not claimed with in three year from the date of of the completion of contract shall be treated as

“Lapsed Deposit” and no claim for a refund thereof shall be entertained from the contractor except under very special circumstances and for good and valid reasons.

12. The earnest money/security deposit taken from the firms/tenderer shall be forfeited under the following circumstances.
  - a. If the tenderer withdraws his tender at any stage during the currency of his validity period, shall earnest money stand forfeited in full.
  - b. If the acceptance of tender has been issued but the contractor refuse to comply with it, the earnest money deposited by him shall be forfeited in full, irrespective of the fact whether the BBMB sustains any loss on account of his default or not. This forfeiture shall be without prejudice to the right of the BBMB to claim any other damage as admissible under the law as well as to take such executive action against the contractor as blacklisting etc.
  - c. Where the tender has been accepted but the contractor stops the work after partially fulfilling the work order, the security deposit shall be retained and adjusted against any loss that may be caused to BBMB through work being got completed from alternative source at the contractor risk and cost and or any other damage recoverable from the contractor under the term of work order.
  - d. In the event of a breach of work order in any manner, the security deposit shall be forfeited and adjusted against the claim of the BBMB on the contractor for any damage or for any loss sustained by the BBMB on account of such breach.
  - e. In the event of non compliance of removal of defects within defect liability period.
13. The work shall be completed within **Three months** .However under any unavoidable circumstances necessary permission to extend the period shall have to be specifically obtained by the executing agency from the competent authority i.e. tender approving authority of BBMB.
14. The rates given in the schedule of rates are for finished work inclusive of lead, lift and octroi charges, Sales Tax and other local Taxes, entry tax etc. Service Tax, if applicable shall be reimbursed to contractor on production of actual payment receipt.

- 15 No claim on account of fluctuation in prices due to war or any other cause or act of god or disturbances/Bunds/Strikes will be considered. Similarly the department will not be responsible for any loss/damages to the material or structure due to the above reasons . No compensation will be paid for the same.
16. For CSR item percentage (%) above or below the Zonal Premium should be quoted for non schedule item –Items rates should be quoted by the contractor contained in the list attached with tender form. Rates should be quoted strictly in metric units. Any other unforeseen/non schedule item should be executed at site until the analysis of rates for such item is approved by the competent authority. Any other item not appearing in the detailed NIT but covered under the Punjab CSR -2010 will be paid as per rates given in Punjab CSR + Sanctioned Zonal premium as applicable on the date of opening of tender+ tendered premium/abatement quoted by the agency.
- 17 The percentage tendered premium/abatement shall be added to/sub traced-from zonal ceiling premium only ,irrespective of the manner the contractor quote his rates, whether with or without the word “Z.P.” The percentage so arrived at shall be applicable to the basic rates printed in the Punjab CSR.
- 18 Before tendering, the contractor is advised in his own interest to visit the site and acquaint himself with the site condition .Later on no claim will be entertained on any account whatsoever.
- 19 The Competent Authority reserve the right to split/allot part work to any willing contractor /Society at the general approved rates taking into account the capacity/capability of the contractor /society. Even after allotment of work ,if it is found that capacity of the contractor is not adequate and the agency fails to gear up the progress after repeated instructions of the department, the competent authority reserve the right to cancel the work as a whole or to take away any item of work or any part thereof at any stage during the execution of work, currency of the work order and re-allot it to another agency with due notice to the contractor without liability of any compensation.
- 20 The quantities as given in the estimate/tender form are approximate and only for the guidance of the contractors and not for any claim etc. The quantity of work can be increased/decreased or any item of work can be withdrawn/added to and no claim on this account shall be entertained.

- 21 The Engineer-in-charge has the right to change the design and specification during the execution of the work and rate will be that work under execution.
22. 100% payment shall be made within 30 days after completion/acceptance of the work and actual measurement . However, running payments maximum once in a month, if desired by the contractor on submission of bill can be allowed. All running payments shall be treated as advance payments and any excess payment made to the contractor inadvertently or otherwise for this work or any other work shall be deducted from any payment what-so-ever payable by the department to the contractor.
23. 10% security shall be deducted from the running bills for work done by the contractor/Societies, the same shall be refunded after six months of the final payment of bill or on completion of defect liability period whichever is later.
24. The Income tax, sale tax or any other tax i.e. work contract tax and labour welfare cess, as leviable will be deducted from the bill as per rules. Service Tax if applicable shall be reimbursed to contractor on the production of documentary evidence, before finalization of bill .
- 25 The work should not be assigned to other party or Sublette without the written approval of the department. In case, it is done, the work order will be terminated on its merits and the contractor will not have any claim of any sort regarding arrangement of man power/material, machinery etc.
26. None can bid on behalf of the other person unless he holds the power of attorney or has letter of authority to that effect. In case the tenderer is other than individual i.e. firm, company etc. the tender will be supported with the document having authority for the purpose.
27. Any person or agency found engaged in cartelization will be debarred from participating in the process of tendering.
- 28 The contractor shall be responsible to provide at his own cost the following amenities for the labour employed by him:-
  - (i) Suitable temporary huts accommodation as in the opinion of the Officer in charge of the work may be necessary.
  - ii Trench Latrines bathing enclosures and platforms separately for men and women and their regular cleanliness to the satisfaction of the office-in-charge.

iii Clean drinking water.

iv safety equipment and first aid

v The contractor will be held responsible, if any accident of his labour occurs at site of work.

Note:- No labour will be allowed to reside at the site of the work without the approval of Engineer-in-Charge.

29. Fair wages clause as well as Punjab Public works labour regulations shall be binding on the contractor and he will strictly follow the terms and conditions laid therein. The contractor has to ensure that the payment to their workers be made through bank accounts on time and for the same he has to provide the under taking with his bill.

30. It will be the responsibility of contractor to ensure that BBMB property including trees, structures etc.at site or in the labour camp and in the vicinity thereof are not damaged by negligence of his labour or agent cost of such damages ,if any will be assessed by the Engineer-in-Charge and deducted from the bill of the contractor.

31. Contractor shall make his own arrangement for the watch and ward of his plant and machinery etc.at site of work

32. All residuary matters, not specifically covered by the provisions of work order, shall be regulated in accordance with the rules of Punjab PWD Code/BBMB purchase procedure.

33 Cement required for construction will be supplied to the contractor at the CSR rates applicable on the date of opening of tender + C.P. and in case department does not supply the cement, the contractor will arrange cement at his own label. No charge for carriage of the said material will be paid. The contractor will take the material against the signature on indents/Register. After the delivery of the material from stores, the contractor will be responsible for the security and safe custody of material and for keeping it in good condition at his own cost till it is consumed on the work or returned to the store.

Cement Rs. storage charges per bag of 50 kg (including cost of E.C. bag)

Note:

- i In addition to the above mentioned issue rates of materials, storage charges @ 3% or any other charges as per Punjab CSR/sanctioned zonal premium shall be charged etc.
  - ii The recovery as per sanctioned zonal premium operative currently and the same shall be revised according to the sanctioned zonal premium of the concerned zone. In case it is further revised on or before the date of the opening of tender shall be binding upon Contractor/ societies.
34. In case of labour rate tender, material will be supplied free of cost on the above condition at work site.
- 34-A Excess/short consumption of the material will be dealt with as per chapter 27 of the Pb. PWD specification 2013 read with chapter 27 of the Pb. CSR - 2010 both amended up to date. The panel rate quoted in the above chapters will be double the issue rate of the material indicated under clause 33 supra.
35. A list of Govt. issued material (if any) remaining surplus with the contractor shall be supplied by him to the Engineer-in-Charge of the work within ten days of the completion of the work. The Engineer-in-Charge shall give a notice in writing and advice to the contractor for the materials accepted for return and shall fix reasonable time limit for its carriage by the contractor to the department stores. If the contractor fails to do so within the specified time it shall be got done by the Engineer-in-charge at the risk and cost of contractor. In case he fails to furnish the afore- mentioned list, it would be presumed that he has no such surplus material left at site.
- 36 The contractor shall be responsible for the removal of all such debris as has been created by the work allotted to him from the site of work to specified place at contractor cost. No extra payment for removal, loading, Un-loading and disposal of debris within the above limits will be made. In case the agency fails to remove and dispose off the debris, it will be got removed by the department at the contractors. Cost and no claim regarding the department having spent excessive amount on the removal of the debris shall be entertained.
37. Earth required by the contractor shall be brought only from the borrow areas duly approved by Engineer-in-charge.
- 38 Surplus earth as a result of excavation of foundations shall be disposed off as per approval of the Engineer-in-Charge. No earth as excavated shall be sold by the contractor to private parties nor removed otherwise.

39. All cement concrete, whether plain or reinforced shall be poured with Mechanical vibrator after mixing in a mechanical Mixer unless otherwise specified or directed by the Engineer-in –charge. It shall be the sole responsibility of the contractor himself to arrange for the concrete mixer and vibrator at his own cost.
40. The work will be executed as per PWD. Specification -2013/Punjab common schedule of rates of any other amendment up to date and as per contract Agreement specification to the entire satisfaction of Engineer-in-charge. Common schedule of rates (CSR) shall be Punjab common schedule of rates up to date amendment including sanctioned zonal premium (including issue rate of material) declared up to the date of opening the tenders. Even though all the works and materials necessary to satisfactory completion of the works may not be detailed in the specifications and schedules, their costs will be considered to be with in the contract and no claim for extra charges will be accepted, provided that there is no substantial revision in the specifications of the work in which the consequential charges in price shall be on the already approved rates after approval by the competent/sanctioning authority.
41. The quality of material to be used for the work(S) by the contractor shall be got approved from the department prior to starting of the work(s).
42. The quality of work shall be prime essence of the contract and no compromise whatsoever in this regard will be acceptable.
43. The Engineer-in Charge will bring into the notice of contractor if any defect is found during execution. Such action of the Engineer-in-charge shall not affect the contractor’s responsibility. The Engineer-in-charge can instruct the contractor to uncover and test any work that Engineer-in-charge considers that it may be defective. Whereas such notice of defect is given, The contractor shall correct the same within stipulated time failing which defect shall not be got removed at contractor’s risk and cost will be recovered from contractor’s bill /security.
44. If the Engineer-in charge instruct the contractor to carry out a test specified in the specifications to check whether any work has a defect, the contractor shall pay for the test/and any sample cost etc.
45. If the Engineer-in-charge instruct the contractor to carry out a test not specified in the specifications to check whether any work has a defect and

the test shows that it has, the contractor shall pay for the test/and any sample cost etc.

46. The Engineer-in-charge shall give notice to the contractor about of any defect before and prior to the end of defects liability period, which beings at completion and is defined in the contract data. The defect liability period shall be extended further so long as defects remain to be rectified/set right.
47. Whenever a notice to a defect is given, the contractor shall correct the notified defect within the prescribed time limit specified by the Engineer-in-charge in notice.
48. Un corrected defects : in event of the contractor failing to remedy the defect, or remove the inferior quality material that he contracted for, within a period specified by the Engineer-in-charge, as per notice given in this regard, then the contractor shall be liable to pay compensation which shall be determined by the Engineer-in-charge, depending in the nature of defect, provided that it shall not exceed the amount which will be required to set it right, by the Engineer-in Charge by making own arrangement at departmental level or through an outside agency.
49. In case of any delay or short supply of the material to be supplied by departmentally, no claim for any compensation shall be entertained due to interruption in the work or the labour thus tendered idle. However contractor shall arrange such quantity/quality of material/Cement as ordered by the Engineer-in-charge at his own cost at the lowest market rate and no recovery of cost/quantity of such material will be made from contractor bill. The difference of cost of material if any than the stock issue rates as provided in departmental rates shall be paid to the contractor.
50. As per decision of the Hon'ble Supreme court no over loading is to be done by the contractor. If it is found that over loading material is carried by the contractor, then the carriage rates shall be reduced by 50% and the recovery will be made from the bill of contractor. Full rates shall be allowed if it is certified by the field staff that the actual carriage of material is within the norms and no over loading has been done.
51. If the work is to be carried out in the restricted area, the work permits for contractor's labour and material will have to be obtained by the contractor from the BBMB.
52. In the event of failure of the contractor to complete the work within stipulated period, he shall be liable to pay as compensation an amount equal

to ½ % per week, or part thereof subject to maximum 10% ordered value/contract value for the period of delay in completion.

53. Arrangement of water and Electric Power required by the contractor for the work shall be made by him at his own cost. Water charges shall be deducted from bill of contractor if department water is used by the contractor @ half percent of gross value of work done. In case electric supply is made by the department on the request of the contractor, the recovery of the electricity charges shall be made as per prevailing commercial rates.
54. In case of any dispute between contractor and department during execution of work the matter shall be referred to concerned competent authority to approved the tendered rates/work order whose decision shall be final and binding on the contractor and department.
55. In case of any dispute between the parties, local court at Sundernagar shall have the jurisdiction to settle/decide and adjudicate upon such matter.
56. Any material left at the site of work after a month from the completion of work shall become the property of the BBMB and no part payment shall be made to the contractor for such material
57. Defects liability period will be **Six months** calculated from the completion date of the work/project.

Signature of Contractor.

Sr.Executive Engineer,  
Township Division, BBMB,  
Sundernagar.

**TECHNICAL TERMS & CONDITIONS**

**I. GENERAL :**

1. The work shall be done as per the Punjab PWD specifications and in case any specification for the work not mentioned in the PWD specification, the same will be followed as per the relevant IS code and CPWD specifications
2. Contractor is advised to visit the site of proposed work under this tender before quoting his rates.
3. Quantities of various items can increase/decrease up to any extent at the time of execution of work as the work is of addition/alteration nature.

**II. Technical Specifications:**

1. Material to be used in the work should be of standard make and quality and it should be confirming to the relevant IS specifications.
2. Material to be used on the work shall have to be got approval from the Engineer-in charge before its use on work. Contractor shall provide the sample of material to the department for its approval and thereafter shall be allowed to use for the work.
3. Before painting the surface, the old painting surface shall be cleaned properly to remove dust, grease fungi, rust, painting flakes or any other foreign material etc. to the full satisfaction of Engineer in charge.
5. Cleaned surface must be brushed out with a wire brush just prior to the painting job.
6. All T&P items like brushes, ladders, scaffolding etc. shall be arranged by the contractor at its own cost.
7. Contractor shall take all safety measures for safety of his workers during the work and Department shall not be responsible for any safety lapses on the part of Contractor.
8. The surface shall be thoroughly cleaned. All dirt, rust, scales, smoke and grease shall be thoroughly removed before painting is started. All type Paint used shall be of good quality and make as approved by EIC. It shall be applied uniformly on the surface to give a good appearance and any damage caused during painting work to the existing works/surfaces shall be made good by the contractor at his own cost. Primer and paint to be used shall be of standard make, good quality as approved by Engineer-in-charge.
9. Scrapping of surface should be done as per specification and to the full satisfaction of Engineer-in-charge.
10. Painting:- To be properly prepared for painting, the surface should be clean, dry and sound, not friable or unduly absorbent, and it should, as far as possible, have reached a stable condition. The surface should also be smooth enough to make it possible to produce the particular quality of paint finish required.
11. Paint shall be constantly stirred while being applied. Such stirring being done with a smooth stick, and under no circumstances with the brush

12. The through rates for painting in general include the cost of all materials, such as paints, brushes, abrasive paper etc., and the cost of preparation of surface, ladders, scaffolding and removal of all splash, droppings etc. The through rates for painting priming, coat include the cost of stopping, filling and knotting as well.

In addition to above, all works involved and required for completion of this work shall be done as per the PWD specifications and instructions given by the EIC and Site should be cleared off debris and any other surplus material immediately after completion of the work.
