 14. No claim on account of fluctuation in prices due to war or any other cause or act of god or disturbances/Bunds/Strikes will be considered. Similarly the department will not be responsible for any loss/damages to the material or structure due to the above reasons. No compensation will be paid for the same.
 15. Specific items rates due to be quoted exist each Schedule/non-schedule items contained in the list attached with tender form. Rates should be quoted strictly in metric units. Any other unforeseen/Non-Schedule item should not be executed at site until the analysis of rates for such item is approved by the competent authority. Any other item not appearing in the detailed NIT but covered under the Punjab CSR-2010 will be paid as per rates given in Punjab CSR+Sanctioned Zonal Premium as applicable on the date of opening of tender \pm tendered premium/abatement quoted by the agency.
 16. The percentage tendered premium/abatement shall be added to/sub-tracted from zonal ceiling premium only, irrespective of the manner the contractor quote his rates, whether with or without the work “Z.P.” The percentage so arrived at shall be applicable to the basic rates printed in the Punjab CSR.
 17. Before tendering, the contractor is advised in his own interest to visit the site and acquaint himself with the site condition. Later on, no claim will be entertained on any account whatsoever.
 18. The competent Authority reserves the right to split/allot part work to any willing contractor/Society at the general approved rates taking into account the capacity/capability of the contractor/Society. Even after allotment of work, if it is found that capacity of the contractor is not adequate and the agency fails to gear up the progress after repeated instructions of the department, the competent authority reserves the right to cancel the work as a whole or to take away any item of work or any part thereof at any stage during the execution of work, currency of the work order and re-allot it to another agency with due notice to the contractor without liability of any compensation.
 19. The quantities as given in the estimate/tender form are approximate and only for the guidance of contractors and not for any claim etc. The quantity of work can be increased/decreased or any item of work can be withdrawn/added to and no claim on this account shall be entertained.
 20. The Engineer-in-charge has the right to change the design and specification during the execution of the work and rate will be that work under execution.
 21. 100% payment shall be made within 30 days after completion/acceptance of the work and actual measurement. However, running payments maximum once in a month, if desired by the contractor on submission of bill can be allowed. All running payments shall be treated as advance payments and any excess payment made to the contractor inadvertently or otherwise for this work or any other work shall be deducted from any payment what-so-ever payable by the department to the contractor.
 22. 10% security shall be deducted from the running bills for work done by the contractor/Societies, the same shall be refunded after six months of the payment of final bill or on completion of defect liability period whichever is later.
 23. The income tax, or any other tax i.e. work contract tax and labour welfare cess, as leviable will be deducted from the bill as per rules.

24. The work should not be assigned to other party or Sublette without the written approval of the Department. In case, it is done, the work order will be terminated on its merits and the contractor will not have any claim of any sort regarding arrangement of man power/material machinery etc.
25. None can bid on behalf of the other person unless he holds the power of attorney or has letter of authority to that effect. In case the tenderer is other than individual i.e. firm, company etc. the tenders will be supported with the document having authority for the purpose.
26. Any person or agency found engaged in cartelization will be debarred from participating in the process of tendering.
27. The contractor shall be responsible to provide at his own cost the following amenities for the labour employed by him:-
 - i) Suitable temporary huts accommodation as in the opinion of the officer in charge of the work may be necessary.
 - ii) Trench latrines, bathing enclosures and platforms separately for men and women and their regular cleanliness to the satisfaction of the officer –in-charge.
 - iii) Clean drinking water.
 - iv) Safety equipment and first aid.
 - v) The contractor will be held responsible, if any accidents of his labour occurs at site of work.

Note:- No labour will be allowed to reside at the site of the work without the approval of Engineer-in-Charge.

28. Fair wages clause as well as Punjab Public works labour regulations shall be binding on the contractor and he will strictly follow the terms and conditions laid therein.
29. It will be the responsibility of contractor to ensure that BBMB property including trees, structures etc. at site or in the labour camp and in the vicinity thereof are not damaged by negligence of his labour or agent. Cost of such damages, if any will be assessed by the Engineer-in-Charge and deducted from the bills of the contractor.
30. The contractor shall make his own arrangement for the watch and ward of his plant and machinery etc. at site of work.
31. All residuary matters, not specifically covered by the provisions of work order, shall be regulated in accordance with the rules of Punjab PWD Code/BBMB Purchase Procedure.
32. Excess/short consumption of the material will be dealt with as per chapter 27 of the Pb. PWD. Specification 2013 read with the chapter 27 of the Pb. CSR-2010, both amended up to date. The penal rate quoted in the above chapters will be double the issue rate of the material.
33. A list of Govt. issued material (if any) remaining surplus with the contractor shall be supplied by him to the Engineer-in-Charge of the work within ten days of the completion of the work. The Engineer-in-Charge shall give a notice in writing and advice to the contractor for the materials accepted for return and shall fix reasonable time limit for its carriage by the contractor to the department stores. If the contractor fails to do so within the specified time it shall be got done by the Engineer-in-Charge at the risk and cost of the contractor. In case he fails to furnish the afore-mentioned list, it would be presumed that he has no such surplus material left at site.
34. The contractor shall be responsible for the removal of all such debris as has been created by the work allotted to him from the site of work to specified place at contractor cost. No extra payment for removal, loading, un-loading and disposal of debris within the above limits will be made. In case the agency fail to remove and dispose of the debris, it will be got removed by the department at the contractors cost and no claim regarding the department having spent excessive amount on the removal of the debris shall be entertained.
35. The work will be executed as per PWD. Specification/Punjab Common Schedule of Rates 2010 of any other amendment up to date and as per Contract Agreement Specification to the entire satisfaction of Engineer-in-charge. Common Schedule of Rates (CSR) shall be Punjab Common Schedule of rates with up to date amendments including sanctioned zonal premium (including issue rate of material) declared up to the date of opening of tenders. Even though all the works and materials necessary to satisfactory completion of the works may not be detailed in specifications and schedules, their costs will be considered to be within the contract and no claim for extra charges will be accepted, provided that there is no substantial revision in the specifications of the work in which the consequential changes in price shall be on the already approved rates after approval by the competent/sanctioning authority.
36. The quality of material to use for the work by the contractor shall be got approved from the department prior to starting of the work.
37. The quality of work shall be the prime essence of the contract and no compromise whatsoever in this regard will be acceptable.
38. The Engineer-in-charge will bring into the notice of contractor if any defect is found during execution. Such action of the Engineer-in-charge shall not affect the contractor's responsibility. The Engineer-in-charge can instruct the contractor to uncover & test any work that Engineer-in-charge considers that it may be defective. Whereas such notice of defect is given, the contractor shall correct the same within

- stipulated time failing which defect shall be got removed at contractors risk & cost will be recovered from contractors bill/security.
39. If the Engineer-in-charge instructs the contractor to carry out a test specified in the specifications to check whether any work has a defect, the contractor shall pay for the test/and any sample cost etc.
 40. If the Engineer-in-charge instructs the contractor to carry out a test not specified in the specifications to check whether any work has a defect and the test shows that it has, the contractor shall pay for the test/and any sample cost etc.
 41. The Engineer-in-charge shall give notice to the contractor about of any defect before and prior to the end of the defects liability period, which begins at completion and is defined in the contract data. The defects liability period shall be extended further so long as defects remain to be rectified/set right.
 42. Whenever a notice of a defect is given, the contractor shall correct the notified defect within the prescribed time limit specified by the Engineer-in-charge in notice.
 43. Uncorrected Defects: In the event of the contractor failing to remedy the defects, or remove the inferior quality material that he contracted for, within a period specified by the Engineer-in-charge, as per notice given in this regard, then the contractor shall be liable to pay compensation which shall be determined by the Engineer-in-charge, depending on the nature or defect, provided that it shall not exceed the amount which will be required to set it right, by the Engineer-in-charge by making own arrangement at departmental level or through an outside agency.
 44. In case of any delay or short supply of the material to be supplied by departmentally, no claim for any compensation shall be entertained due to interruption in the work or the labour thus rendered idle. However, contractor shall arrange such quantity/quality of material/cement as ordered by the Engineer-in-charge at his own cost at the lowest market rate and no recovery of cost/quantity of such material will be made from contractor bill. The difference of cost of material if any than the stock issue rates as provided in departmental rates shall be paid to the contractor.
 45. As per decision of the Hon'ble Supreme Court, no over loading is to be done by the contractor. If it is found that over loading of material is carried by the contractor, then the carriage rates shall be reduced by 50 % and the recovery will be made from the bill of the contractor. Full rate shall only be allowed if it is certified by the field staff that the actual carriage of material is within the norms and no over lading has been done.
 46. If the work is to be carried out in the restricted area, the work permits for contractor's labour & material will have to be obtained by the contractor from the BBMB.
 47. In the event of the failure of the contractor to complete the work within stipulated period, he shall be liable to pay as compensation an amount equal to ½ % per week, or part thereof subject to maximum 10 % ordered value/contract value for the period of delay in completion.
 48. In case of any dispute between contractor and department during execution of work the matter shall be referred to concerned competent authority to approve the tendered rates / work order whose decision shall be final and binding on the contractor and the department.
 49. In case of any dispute between the parties, local court at Shri Anandpur Shaib shall have the jurisdiction to settle/decide and adjudicate upon such matter.
 50. Any material left at the site of work after a month from the completion of work shall become the property of the BBMB and no part payment shall be made to the contractor for such material.
 51. Defects Liability period will be 3 months calculated from the completion date of the work/protect.
 52. Contractor and their agents are to exercise proper and vigilant control to ensure that cement concrete and mortar are proper and prescribed mixes, as indicated by the Engineer-in-charge, are being used. The samples of cement mixes for cement concrete and cement mortar can be filled by Sub Divisional Officer/Executive Engineer to ensure that the mortar of desired specification is being used.
 53. Cost of material wasted in dismantling any portion of the work due to bad workmanship/neglect ion of the specification will be recoverable from the contractor at double the issue rate.
 54. All the tests of material shall be made by the Engineer-in-charge in accordance with the approved method. The contractor shall afford such facilities as the Engineer-in-charge may require for collecting and forwarding the sample and the contractor shall furnish the required samples without charges.
 55. In case of any delay or short supply of the above material, no claim for any compensation shall be entertained due to interruption in the work or the labour thus rendered idle.
 56. The condition No. 5 regarding arbitration contained in the standard work order form stands deleted and the condition No. 3 stands substituted with the following:-
"The order for execution of work can be cancelled and the work stopped at any time by the officer-in-charge of the work or any other officer, superior to him in authority. The contractor will have no claim for any compensation or damages on this account.
