The tenders will be received upto 3.30 P.M. on dated _____ and opened at the same time in the above said office in the presence of the tenderer or their authorized representative, if they desire so. In case of holiday(s) the tenders will be entertained and opened on next working day at the same time respectively

Sr. No.	Name of work	Approximate Cost of the work	Earnest money	Approximate period
1.	Replacement of Two Nos. pumps in Olinda Colony at Bhakra Dam.	Rs. 5.00 lacs	Rs.10000.00	2016-17

TERMS & CONDITIONS:-

1. The reputed & financially sound contractors duly registered with the State/Central PWD, Railway, M.E.S & other such public sectors enterprises, who have the experience and capacity of handling the works of such magnitude, need only to give tenders duly supported with the works handled by them.
2. The L & C Co: Operative Societies must also produce a certificate duly numbered and signed by Registrar, Co-operative Society to show that:-
 - i. The society is in existence and holds good reputation and there is no complaint against it.
 - ii. Financial capacity of the society for execution of the work.
The Society should produce list of works executed by them in PWD and a certificate from the concerned division regarding the satisfactory performance.
3. Tender documents can be down-loaded from the BBMB-Web-site www. "bbmb Gov. in" and cost of documents be attached with the tender documents in shape of Bank Draft worth Rs. 500/- (Non-Refundable) drawn on any scheduled Bank at Nangal/Naya Nangal in favour of the Accounts Officer, BBMB Nangal (PB.). The tender documents can also be had upto 1.30 P.M. on the date of opening of tender from the office of Addl. Superintending Engineer, Bhakra Dam Division Nangal at the cost of Rs. 500/- (Non Refundable) against written request along with following documents.
 - i. Production of enlistment/Registration of the Contractor and a copy of the resolution of the society.
 - ii. Necessary certificate/testimonials of satisfactory performance of work of such magnitude & detail of works carried out by the tenderer during the last three years.
 - iii. Proof of deposit of earnest money.
 - iv. Latest income tax clearance certificate and a copy of PAN, in case no PAN has been allotted form 15-H must be attached.

Note:- In case of down loading of tender form the above documents must be attached with the tender/Bid.

4. The earnest money amounting to Rs.10000/- only in the shape of Bank draft drawn on any scheduled Bank payable at Nangal T/Ship/Naya Nangal in favour of A.O./BBMB, Nangal T/Ship may be attached with tender. The tender without earnest money will not be considered

Signature of contractor

- 5 The earnest money shall be returned after three months or after approval of the tender, which ever is earlier, whether contractor submits tender or not.
6. Co-Operative Societies shall be considered at par with other contractors for the purpose of depositing earnest money etc.
- 7 Conditional tenders or tenders received late or tenders submitted telegraphically or incomplete tenders will be rejected, out rightly without assigning any reason.
- 8 Detailed NIT./Design/Quantities/Specifications/any other information concerning to above work can be seen in the office of Addl. Superintending Engineer Bhakra Dam Division, Nangal on any working day during working hours..
- 9 Acceptance of tender is subject to the approval of the competent authority, which does not bind himself to approve or accept the lowest tender or any other tender and reserves the right to reject any or all of the tenders received without the assignment of any reason.
- 10 The tender/quotation for the work shall remain open for a period of 90 days from the date of opening of the tenders/ date of negotiation, if held.
- 11 The earnest money furnished by the successful tenderer on whom the order is placed shall be converted into security deposit as a guarantee for faithful and satisfactory execution of the contract. Security deposits not claimed within three year from the date of the completion of contract shall be treated as "Lapsed Deposit" and no claim for a refund thereof shall be entertained from the contractor except under very special circumstances and for good and valid reasons.
- 12 The earnest money/security deposit taken from the firms/tenderer under this Para shall be forfeited in part or in full under the following circumstance:
 - a. If the tenderer withdraws his tender at any stage during the currency of his validity period his earnest money shall stand forfeited in full.
 - b If the acceptance of tender has been issued but the contractor refuses to comply with it, the earnest money deposited by him shall be forfeited in full, irrespective of the fact whether the BBMB sustains any loss on account of his default or not. This forfeiture shall be without prejudice to the right of the BBMB to claim any other damage as admissible under the law as well as to take such executive action against the contractor as blacklisting etc.
 - c Where the contract has been accepted but the contractor stops the work after partially fulfilling the contract, the security deposit shall be retained and adjusted against any loss that may be caused to BBMB through work being got completed from alternative source at the contractors risk & cost and or any other damage recoverable from the contractor under the terms of the contract.
 - d In the event of a breach of contract in any manner, the security deposit shall be forfeited and adjusted against the claim of the BBMB on the contractor for any damage or for any loss sustained by the BBMB on account of such breach.
- 13 The condition No.5 regarding arbitration contained in the standard work order form stands deleted and the condition No.3 stands substituted with the following:-

"The order for execution of work can be cancelled and the work stopped at any time by the officer-in-charge of the work or any other officer, superior to him in authority. The contractor will have no claim for any compensation or damages on this account."

Signature of the contractor

- 14 No claim on account of fluctuation in prices due to war or any other cause or act of god or disturbances/Bunds/Strikes will be considered. Similarly the department will not be responsible for any loss/damages to the material or structure due to the above reasons. No compensation will be paid for the same.
- 15 Before tendering the contractor is advised in his own interest to visit the site and acquaint himself with the site condition. No claim will be entertained later on any account whatsoever.
- 16 Competent authority has the right to split/allot part work to any willing contractor/Society at the general approved rates taking into account the capacity/capability of the contractor/Society.
- 17 The Engineer-in-charge has the right to change the design and specification during the execution of the work.
- 18 All running payments will be treated as advance payments and any excess payment made to the contractor inadvertently or otherwise for this work or any other work will be deducted from any payment what-so-ever payable by the department to the contractor.
- 19 10% security shall be deducted from the running bills for work done by the contractor/Societies, the same shall be refunded after three months of the payment of final bill.
- 20 The income tax, sale tax or any other tax, if livable will be deducted from the bill as per rule.
- 21 The work should not be assigned to other party or Subletted without the written approval of the Department. In case , it is done, the contract/work order will be terminated on its merits and the contractor will not have any claim of any sort regarding arrangement of man power/material, machinery etc.
- 22 None can bid on behalf of the other person unless he holds the power of attorney or has letter of authority to that effect. In case the tenderer is other than individual i.e. firm, company etc. the tenders will be supported with the document having authority to it.
- 23 Any person or agency found making pool with others is liable to forego the right of tendering.
- 24 The work shall be completed within the stipulated period. However under any unavoidable circumstances necessary permission to extend the period shall have to be specifically obtained by the executing agency from the Department.
- Note: - No labour will be allowed to reside at the site of the work.**
- 25 Fair wages clause as well as the latest Punjab Public works department contractors labour regulations, referred to in clause 'C' of the said clause will be binding on the contractor and he will strictly follow the terms and conditions laid down therein.
- 26 It will be the responsibility of contractor to ensure that trees etc. in the labour camp site and in the vicinity thereof are not damaged by his labour or agent. Cost of such damages, if any will be assessed at the discretion of the Engineer-in-charge and deducted from the bills of the contractor.
- 27 Contractor shall make his own arrangement for the watch and ward of his plant and machinery etc. at site of work.
- 28 All residuary matters not specifically covered by the provisions of agreement/work order shall be regulated in accordance with the department rules of PWD /BBMB.
- 29 The contractor shall be responsible for the removal of all such debris as has been created by the work allotted to him from the site of work to specified place within 2 Km at his own cost. No extra payment for removal, loading, un-loading and disposal of debris within the above lead will be made. In case the agency fail to remove and dispose off the debris, it will be got removed by the department at the contractors cost and no claim regarding the department having spent excessive amount on the removal of the debris shall be entertained.

Signature of the contractor

- 30 Cost of material wasted in dismantling any portion of the work due to bad workmanship/neglection of the specification will be recoverable from the contractor at double the issue rate.
- 31 All the tests of material shall be made by the Engineer-in-charge in accordance with the approved method. The contractor shall afford such facilities as the Engineer-in-charge may require for collecting and forwarding the sample and the contractor shall furnish the required samples without charges.
- 32 In case of any delay or short supply of the above material, no claim for any compensation shall be entertained due to interruption in the work or the labour thus rendered idle.
- 33 The quoted price should be for supply and fixing of material at site at Olinda water supply. No entry tax, packing and forwarding and Insurance charges should be specifically indicated. No freight charges should be shown referable in the quoted rates should full & final FOR at Olinda including fixing charges.
- 34 Work is to completed one month otherwise penalty clause i.e. ½ % of the total cost per week of delivery period quoted in excess of that prescribed above, subject to maximum of 10 % will be leviable.
- 35 The firm shall furnish the guarantee/ warranty certificate against all manufacturing defects valid for a period of 12 months and in case any such defect is found, the firm shall replace and refix, free of cost within 60 days from the date of intimation of defect.
- 36 The firm shall provide performance bank guarantee of the value of 10% of the contract to cover. The satisfactory Working of the equipment valid for a period of 12 month on non-judicial stamped paper. (On prescribed performance to be supplied by the purchaser).
- 37 Firm/Contractor offering their rates should produce the certificate to effect that they have done/executes such type work to tune Rs. 40 % of the gross amount.
38. Pumps of manufacturing firms will be accepted “Kalsi, Crompton, KSB, Joyti as per list attached.
